The attention of the public is invited to the notification dated 22nd August 1918, published on page 778, Part IV of the *Mysore Gazette*, dated 29th August 1918, calling for tenders for the supply of furniture required for the District Forest Office and subordinate office in the Tumkur District for the year 1918-19.

M. A. VARADA CHAR,
District Forest Officer.

MYSORE WEST.

Notification dated 25th August 1918.

Sealed tenders are invited for the supply of jungle wood fuel from Periyapatna and Hunsur Ranges for use in the Sandalwood Oil Factory at Mysore.

2. The tenders should be addressed to the District Forest Officer, Mysore West Division so as to reach him on or before the 21st September 1918. Any tender received after the abovementioned date will not be taken notice of.

3. Each tender should be accompanied by an earnest money of Rs. 100 in currency notes and should be registered, insured and superscribed as "Tender for fuel supply for the Sandalwood Oil Factory." Tenders may be submitted for one or more coupes.

4. The right of accepting or rejecting any tender is vested in the Conservator of Forests who is not bound to assign any reason for accepting or rejecting the highest or lowest tender.

5. The fuel to be supplied is to be felled in such of the State Forest Coupes as are noted below under coppice with standard system :—

Name of Forest	No. of coupes	Average load to Mysore	Probable yield and fuel more or less
1. Veeranhosalli ...	5	45 miles.	2,700 tons.
2. Dodharve	4	55 „	2,200 „
3. Anechowkur-Mavkal ...	5	50 „	1,200 „
4. Kachunahalli ...	2	45 „	300 „

6. The successful tenderer or tenderers are required to enter into an agreement with the District Forest Officer within a week of intimation given to him or them binding to observe the following conditions, in default of which the contract is liable to be cancelled and the earnest money forfeited to Government. In fulfilment of the terms of contract he or

they shall deposit in the Government Savings Bank a sum of Rs. 200 in the name of the District Forest Officer. This amount is liable to be forfeited to Government for the breach of any or all the conditions of agreement and the contract cancelled.

7. The earnest money of the successful tenderer, will be retained as a portion of security for the fulfilment of the terms of contract after the bond is executed and of others returned to the parties concerned.

Conditions.

(*a*) The contractor shall fell fuel, within the limits of the coupes of the forests noted above (para 5 *supra*).

(*b*) The following kinds of fuel green and dry are generally accepted; such as:— Ankole, Bikke, Chujulu, Devadari, Goravi, Hedarni, Hale, Ijjee, Jagalaganti, Metli, Gobli and other hard fuel kinds.

(*c*) The contractor shall not enter the forest for felling the fuel without a permit in this behalf granted by a Forest Officer.

(*d*) All felled fuel should be sawn into billets of the following size at Mysore in the place to be appointed by the District Forest Officer. Length 18 inches to 24 inches: diameter 3 to 8 inches. Billets below the minimum size will not be accepted. The billets should as far as possible be straight and free from knots or forks.

(*e*) All billeted fuel shall be carted to the Mysore Sandal Factory by the contractor under passport issued by the Forest Officers and must be built at places specified by the District Forest Officer into stacks of rectangular shape, the sides being vertical and straight and the top level. The billets must be laid evenly, straight and close and must be packed up properly with no holes intervening.

(*f*) The stacks are to be built of such dimensions that the cubical contents of each is 68 cubic feet or a multiple of the same, *viz*:—

17 ft. × 8 ft. × 5=680 c. ft. or 10 tons.

34 ft. × 20 ft. × 5=3,400 c. ft. or 50 tons.

All stacks must be 5 feet high.

Sixty-eight cubic feet of closely stacked wood will be reckoned as equivalent to 1 ton and the rate for supply to be offered is for a ton of 68 cubic feet of fuel.

(*h*) All fuel carted to the Mysore Sandal Oil Factory and stacked there in the appointed place will lie at the risk of the contractor until the same is measured and accepted by the department.

(*i*) Payment will be made by the District Forest Officer or by such officer as is deputed by him upon measurement of lots and delivery of the same to the department at the contracted rates.

(*j*) Fuel stacks defective in packing and in other respects are liable to be rejected. Such stacks have either to be rebuilt for being passed in the time that will be given by the District Forest Officer failing which it will be confiscated and taken over to the Government.

(*k*) The contractor shall begin the supply from 1st November 1918 and complete it by the end of May 1919 and shall also assure 1/5 of the tendered quantity each month.

(*l*) The Conservator of Forests shall be the final authority in all matters of dispute regarding this contract.

(*m*) The contractor shall not fell trees of reserved kinds, fruit trees or trees bearing Minor Forest Products. He shall not also cut trees marked as standards and seedlings and sapplings under 1 foot in girth.

(*n*) That he shall agree to abide by the rules of the department as regards kindling of fires and hold himself responsible for any offence committed by him or his agents, employees, workmen, etc.

(*o*) That the earnest money will be returned in full three months after the expiry of the contract period if the whole or any part thereof is not forfeited to Government by the violation of any of the terms of agreement.

(*p*) The quantity of firewood to be tendered for will be about 5,000 tons, the yield of all the above noted coupes.

(q) All rejected firewood will be given over to the contractor after recovering from him, a rupee a ton. Or if so desired the same will be auctioned departmentally and the sale proceeds given over to the contractor recovering from him one rupee a ton as seigniorage.

The coupes enumerated in para 5 *supra* are all situated 45 to 55 miles from Mysore Sandal Oil Factory.
